

The Token Hunter

N.U.T.S.

National Utah Token Society

Dedicated to the collecting, recording and preserving of Utah's historical medals, tokens, coins and bottles

President's Message

Greetings friends. Wow, it is difficult to believe that a year has passed as club president. It has been an absolute honor and privilege to be associated with this organization. I want to thank each and every member for your dedication, support, and friendship. I believe this has been a successful year and the club is on solid ground. This is to everyone's credit. My hope is that our club will move into the future and continue to thrive by staying true to three things; 1-our charter "the collection and preservation of Utah's historical coins, tokens, bottles, and artifacts", 2-our code of ethics, 3- each other. The November meeting will include the final finds of the month contest of the year, club elections, and a presentation by Todd Monson on conducting research on historical names, locations, and events. With the Thanksgiving holiday falling on the fourth Thursday, the meeting will be held one week early on Thursday, November 17th.

See everyone there!

Mike & Todd

Wishing Derek Farnsworth a speedy recovery

**Happy Veterans
Day Thank You
For Your
Service**

At the October NUTS Club meeting, two distinguished law enforcement veterans, Mr. Chris Larsen, and Mr. Ron Greenleaf shared fantastic presentations and displays on the history of Utah Police Department badges. Mr. Larsen's exhaustive efforts have rewarded him with a collection of Salt Lake City badges ranging from territorial to modern and is the most extensive known. Mr. Greenleaf also presented badges and related items from local, county, state, federal, and military agencies. Thank you gentlemen for your years of service and sharing these extraordinary collections!
